Downtown Street Parking

To ensure the prosperity of the downtown and all its businesses, customer traffic must always be our first priority. If customers can't find parking, they will take their business elsewhere. When staff and/or business owners occupy on-street parking it hurts their business as well as neighbouring businesses.

Please be vocal when you see business owners or their employees occupying parking intended for your customers. There is ample employee parking available on the downtown periphery.

If you or your staff are parked in designated street parking or over the allotted parking time, the Bylaw Officer is authorized to issue a violation ticket. Should you have questions regarding this policy, any member of the Downtown Parking Commission can address your concerns.

Visit our website for staff parking options www.salmonarmdowntown/parking

Please contact info@salmonarmdowntown.com to contact one of the committee members.

The Shuswap District Arts Council is pleased to present the 23rd year of Wednesday On the Wharf, the outdoor summer concert series at Marine Park in Salmon Arm. All concerts begin at 6:45pm. Admission is by donation.

Concert information can be found online at www.salmonarmartscentre.ca/wow or on Facebook at Salmon Arm Arts Centre. Follow the WOW coordinator at WoWconcerts on Twitter for up-to-the-minute information.

WOW happens because of the generosity of many community sponsors. The 2016 season sponsors are SASCU Credit Union, Salmar Community Association, Prestige Inn, BC Sound and EZ Rock. Together with the 12 performance sponsors and donations collected at the concerts, this program continues to be an important and sustainable model for supporting musicians and enhancing the live music scene in Salmon Arm.
